The School of Civic Leadership & Responsibility

Why join the 104 Wolfpack?

The Fort Hamilton School opened its doors welcoming the students of the greater Bay Ridge community in 1927, named for the Fort Hamilton Army Base. With programs designed to meet unique and individualized needs, students are offered unequaled opportunities for personal growth. Staff members committed to excellence in education provide an atmosphere which fosters intellectual curiosity and a need for learning. Active co-curricular and extra-curricular programs extend and enrich the school experience, making P.S./I.S. 104 a model of excellence.
